Sir/Ma'am,

With reference to above-mentioned subject, we would like to inform that our company has been notifying to the stock exchanges all the events, information which comes under the purview of Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 from time to time.

At this point of time, we do not have any material announcement/ event due for notification to the stock exchanges under Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 which may have a bearing on the price or volume behaviour of the scrip. The increase in the volume of our security in the recent past appears to be based on market speculation and we have no other comment to offer on this development.

We request you to disseminate this clarification on your website for information of general public, which is also being uploaded on Company's website i.e. www.ranasugars.com.

Thanking you,

Yours sincerely,
