VIGIL MECHANISM CUM WHISTLE BLOWER POLICY

PREAMBLE

The Company believes in the conduct of the affairs of its constituents in a fair and transparent manner by adopting highest standards of professionalism, honesty, Legality, integrity and ethical behaviour. Any actual or potential violation of the same, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The role of the employees in pointing out such violations cannot be undermined. Accordingly, this Vigil Mechanism has been formulated with a view to provide a mechanism for employees of the Company and others concerned to raise concerns of any violations of legal or regulatory requirements, incorrect or misrepresentation of any financial statements and reports, etc.

Regulation 4 (2)(d)(iv) read with Regulation 22 (1) of the Securities & Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, inter alia, provides for requirement to establish a mechanism called 'Whistle Blower Policy' for stakeholders, employees and their representative bodies to report to the management, instances of unethical behaviour, actual or suspected fraud or violation of the company's code of conduct or ethics policy.

Section 177 of the Companies Act, 2013 also provides that the Company shall establish a Vigil Mechanism for Directors and Employees to report genuine concerns. This Vigil Mechanism is meant to serve the purpose of Section 177 of the Companies Act, 2013 as well as 'Whistle Blower Policy' under the SEBI (LODR) Regulations.

The Company had adopted the revised Vigil Mechanism cum Whistle Blower Policy on 10-06-2021 as approved by the Audit Committee.

OBJECTIVE

The Company is committed to adhere to the highest standards of ethical, moral and legal conduct of business operations. To maintain these standards, the Company encourages its employees who have concerns about suspected misconduct to come forward and express these concerns without fear of punishment or unfair treatment. This policy aims to provide an avenue for Stakeholders, Directors, employees and their representative bodies, to raise concerns of any violations of legal or regulatory requirements, unethical behaviour, fraud, violation of Company's code of conduct, incorrect or misrepresentation of any financial statements and reports, etc.

POLICY

The Vigil Mechanism intends to cover serious concerns that could have grave impact on the operations and performance of the business of the Company. The policy neither releases employees from their duty of confidentiality in the course of their work, nor is it a route for taking up a grievance about a personal situation.

No adverse action shall be taken or recommended against any Stakeholder, Director, employee or their representative body in retaliation to his disclosure in good faith of any unethical and improper practices or alleged wrongful conduct. This protects such employees or Director from unfair termination and unfair prejudicial employment practices.
